

## ANTI-TUBERCULOSIS PROGRAM OUTLINED

Directors Meet in Louisville and Secretary Kerner Tells of Plans.

WILL GO THROUGH STATE PHOTOGRAPHING CONDITIONS.

A meeting of the Board of Directors of the Kentucky Association for the Study and Prevention of Tuberculosis was held in the Leather Room of the Seelbach Hotel, in Louisville, at which the newly appointed secretary, Mr. Eugene Kerner, presented an interesting program for arousing Kentucky to an active fight against tuberculosis.

Mr. Kerner told of the work being done by some of the states in the East, and stated that Kentucky is the first state in the South that has shown an active interest in stamping out this White Plague, which claims over 6,500 lives annually in Kentucky.

Mr. Kerner will go through the state, armed with a camera taking pictures and collecting statistics of conditions as he finds them and will give lectures and exhibits to acquaint the people with what he finds, urging them to form local Anti-Tuberculosis Societies and committees to take up the fight in their respective localities. His headquarters will be at 215 East Walnut street, Louisville.

Dr. George P. Sprague, of Lexington, said that a special committee on tuberculosis had been appointed by the Kentucky State Medical Association, which will work in close co-operation with the association.

Dr. S. H. Keller, of Frankfort, said that the State Board of Health is ready to lend the association every aid possible in stamping out this great White Plague in Kentucky.

Mrs. Charles Dallam, of Henderson, gave an excellent report of the work done by the Henderson Anti-Tuberculosis Association, illustrating what can be done in a locality that has realized its needs.

A committee was appointed to enlist all fraternal societies in the state to help in this great fight.

## EARLINGTON ATHLETIC CLUB VS. MADISONVILLE SCHOOL

In First Game of Ball Played by E. A. C. This Year.

The E. A. C. played their first game of ball this season with the Madisonville High School nine at Madisonville last Friday, and owing to the lack of practice were badly beaten, the score standing 12 to 6 in favor of Madisonville. Spillman and Foley did the battery work for Earlington, and Mitchell and Givens for Madisonville. Spillman pitched a winning game, but did not receive the support he should, with the above result.

The E. A. C. and M. H. S. are scheduled for five games, the second of which will probably be played at Earlington this week, and if our boys have a little more practice and their full team we bespeak for them success.

### Mrs. J. E. McAfee Dead.

Mrs. J. E. McAfee died at her home in this city Friday morning at 3 o'clock of child birth. Her remains were carried to Elkton, her old home, Friday on 51. She leaves a husband and five children.

## ODD FELLOWS' BANQUET

Given at Their Hall Tuesday Night—Over One Hundred Invited Guests.

Decidedly one of the nicest affairs ever given in this city was a banquet given by the members of the Odd Fellows in this city to their friends and there was a large number in attendance, over 100 invited guests being present.

Rev. W. H. Moore, with a few well chosen remarks, welcomed the visitors to the hall. Two large tables were spread and fairly groined with the good things to eat. The Odd Fellows are no doubt the strongest organization we have. They have over 150 members in good standing and are securing more every meeting night and the members represent our best citizens. These social affairs, like the one given Tuesday night, have a tendency to cement the already bonds of friendship between the members and their friends. The I. O. O. F. was organized in this city in 1871 with 24 charter members, all of whom are dead now, and their places taken now by their children and grandchildren. They will give these banquets during the summer.

This order was founded ninety-one years ago—April 26, 1819, in Baltimore. Those present at the first meeting were Thomas Wilday, John Welsh, John Duncan, John Oheatham and Richard Rushworth. The order has now spread over the civilized world and at present has a membership of about 2,000,000, and has paid out as a relief fund in the neighborhood of \$120,234,913. It is said to be the largest fraternal and benevolent organization in the world. The first lodge organized west of the Allegheny Mountains was instituted by Mr. Wilday in Louisville in 1837 and was called Boone Lodge, which is still in existence. Today there are 369 lodges in the State with a membership of 28,000.

## DEATH FROM HEART TROUBLE

Mrs. Julius Coenen Died in This City Thursday Evening of Last Week.

Mrs. Julius Coenen, age 62 years, died in this city Thursday evening at her home on Moss avenue. Mrs. Coenen had been quite ill for some time, but her death was caused by heart trouble. She leaves a husband, one daughter and three sons. She was buried at the Catholic cemetery Saturday morning at 10 o'clock. A large number of her friends followed the body to its last resting place. Mrs. Coenen was a member of the Catholic church and was a good Christian woman, who had a large number of friends. The flowers were many and beautiful. The Bee extends its heartfelt sympathy to the bereaved family.

## ENGAGEMENT ANNOUNCED

M. H. Thatcher and Miss Chinn to Wed on May 4.

Frankfort, Ky., April 22.—Announcement is made here of the coming marriage on May 4, of Miss Anna Belle Chinn, of this city, and Mr. M. H. Thatcher, the new Governor of the Canal Zone.

The engagement of Mr. Thatcher and Miss Chinn has been known among the intimate friends of the couple for some time.

Within a few days after the marriage Mr. Thatcher with his bride will sail for Panama, where Mr. Thatcher will assume his new duties.

## MINING NOTES.

### OHIO CAPITALISTS TO OPEN KENTUCKY MINES.

Lease 12,000 Acres in Monroe County and Will Prospect for Lead and Silver.

Glasgow, Ky., April 25.—Considerable interest was created here when it became known that a company of Ohio capitalists had leased 12,000 acres of land in Monroe county, an adjoining county to this, and would within the next few weeks begin operations for minerals, silver, lead and zinc being the chief metals sought. Other minerals will be looked after, but according to a report of an expert who went over the ground, lead is the most likely of all metals to be found in paying quantities.

So very quietly was the leasing done that very few aside from those who leased the land knew of the movement. Most of the holdings of the company are in what is known as the Otia section, and the first work will be on the farm of J. F. Kidwell, near the place.

Jim Kelley, who has been firing the boilers at No. 9 mine for some time, will leave in a few days for Zeigler, Ill., where he goes to fire one of the railroad engines at that place.

Plans and specifications are being drawn for a new and enlarged coke washer and when completed will compare favorably with any in the South.

Mike Hanna, Jr. spent a few days last week at the Ingleside mines putting in a large new shaker and doing other heavy iron work.

Joe Egloff, who has been an employe of the mines here for many years, has moved to Evansville to reside in the future.

Geo. King, of Madisonville, formerly mine boss at St. Charles, was in the city on business Monday.

Assistant General Manager Spillman, of the St. Bernard Co., was in Providence Monday on business.

Vent Ruckman, coal operator of Providence, was in the city Monday on business.

Thos. Black, of the Shamrock mines near Providence, was in the city last week.

Thos. O. Long spent Sunday in the city with his parents.

### Knights of Pythias Prosperous.

There are over 700 000 Knights of Pythias in the United States, 14,000 in Kentucky and 100 in Earlington. Just think of it. It teaches friendship, charity and benevolence. Its membership consists of the best citizenship in the city, in the State and in the United States. They have the grandest home in the State, where the widows and orphans of the unfortunate Knights of Kentucky will be cared for, and have all the attention possible in the wealthiest homes in the land. They also have an insurance department for the protection of the home of the Knights. Their contracts are second to none, as good as old line insurance and a great deal cheaper. They can give you a 20 year paid up contract, Victoria Lodge No. 84 pays its members \$3.50 per week in case of sickness or disability and \$25 funeral benefit in case of death. Dues are only 10 cents per week. So you can see if you are not a Knight of Pythias, you ought to be.

## Locomotive Blasts.

One of Those Peculiar Southern Roads.

"Ever ride on the Chatahoochie & Aitah?"  
"Nope."  
"It doesn't make any particular difference on that road whether you ask for an upper berth or a lower."  
"Why not?"  
"Cause every time a train goes into the ditch it's sure to turn upside down."—Cleveland Plain Dealer.

### Milking a Railroad.

"Pop, tell me something."  
"Yes, my son."  
"I heard somebody say the other day that such-and-such a railroad has been milked."  
"Well, my son?"  
"Is that what they have cow-catchers for?"—Baltimore American.

The air brake car inspector spent several days here inspecting the employes on the manipulation of compressed air. Mr. Suerman, who is in charge of the car, is one of the best posted men on compressed air in the United States and has been an employe of the L. & N. for many years.

A letter from R. E. Brooks says that he has arrived at Las Vegas, New Mexico, and is now learning the road preparatory to assuming a truck at once.

W. K. Griffin, assistant trainmaster of the Terminal Association of Nashville, Tenn., visited friends in the city Sunday.

The extra train that carried the old Confederates to Mobile Monday morning was in charge of Conductor Wm. West.

Master Mechanic Enoch made a business trip to Madisonville Monday.

M. Devney, of Evansville, was in the city last week.

## SEVEN MURDER CASES

On the Docket of the Henderson Circuit Court.

Henderson, Ky., April 26.—Circuit court will begin Monday for the regular May term of eight weeks. There are several murder cases on the docket for trial.

The trial of T. S. Anderson, the Owensboro banker charged with making and swearing to false entries, has been set for May 11. Anderson was tried at the January term on a change of venue from the Daviess circuit court. The jury failed to reach a verdict.

## CUBAN REBELLION SQUELCHED

Uprising Against Whites Planned by Negroes

Havana, April 26.—A native rebellion in Cuba was revealed and blocked today when indictments were returned against General Ezaristo Estenoz, a negro soldier, and 22 other plotters. Evidence showed extensive preparations for an anti-white uprising May 24.

### Gough Deal.

Married Thursday afternoon at the home of the bride's mother, Mr. Bryant Deal and Miss Mamie Gough, both of this city. They will reside in this city. Mr. Deal is an employe of the mechanical department of the L. & N. and is a young man of sterling worth that has the good will and confidence of all. Miss Gough is a daughter of the late Joe Gough, and is a sweet, lovable young lady, who has many friends and is very popular with the younger society people. The Bee extends congratulation and best wishes.

CORRECTION—Harold Oldham was on the Roll of Honor last month, but by an oversight somewhere his name did not appear in THE BEE.

## ANDERSON CASE AGAIN

Former Owensboro Banker to Get Hearing May 11.

Owensboro, Ky., April 26.—The prosecution against T. S. Anderson, charged with having sworn falsely to a report made to the State Auditor as to the financial condition of the Daviess County Bank and Trust Company, on March 31, 1908, will be called for trial at Henderson, May 11. The Sheriff here has been busy summoning witnesses in the case.

The case was called for trial last January and resulted in a hung jury, being six for acquittal and six for conviction. It is understood that both sides are prepared to enter into the trial.

## Big Punch Bowl Given Away.

Some lucky person will be given absolutely free a big punch bowl and glasses at the rink Saturday night. The Klub Kentucky band gives their last concert that night, and skating closes until next season. The guesses will be on the advertisements in this issue of THE BEE. An uninterested party will select a certain ad in THE BEE and count words in it and seal it in an envelope. With each admission to the rink will be given one guess as to which ad it is and the number of words it contains, and with each pair of skates will be given an additional guess. These guesses will be placed in a box at the rink door, and at the close of the skating the envelopes will be opened and the winning ad announced, and then the guesses will be drawn from the box one at a time until a correct one will be awarded the prize. The punch bowl can be seen in the windows of the Bargain Store, in the Victory building.

Read the ads in this issue of THE BEE.

## SOCIAL EVENTS.

On Friday, April 15, the East End Card Club met with the Misses Crenshaw. The afternoon was a most delightful one, as the majority of the club members were present, only two of the ladies being substitutes, Mrs. Goldsmith and Miss Moorehead. Mrs. Daves won the highest number of games. A delicious ice was served.

Mrs. Newbold entertained the Card Club on last Friday at her residence on Moss avenue, into which she has lately moved. Among the visitors present were Mrs. J. B. Atkinson, Miss Carrie Atkinson and Miss Fells, of Philadelphia. Messames J. B. and Geo. Atkinson made equally high scores. A delicious and dainty salad course was served by the hostess.

The La So Con Club met with Miss Annie Ashby last Tuesday night. While the La So Cons have proved their cleverness in a number of ways since the organization of the club, every once in a while they are confronted by startling and rather formidable propositions. The last meeting was not an exception to this rule. For a while the La So Cons struggled with some seeming baffling "Problems," but not for long. All were soon solved, although some of the members left one or two to be dealt with in the future. During the social hour strawberries and cake were served.

## PASS REQUIRED EXAMINATION

All the State Guard Officers of This City Make High Average.

All the State Guard officers of this city have passed the required examination and their averages were high. Capt. Powers, who was examined and passed some time ago, thought that he would be examined again and studied every night until the night before the last examination, when he found out that he had already passed and would not be required to stand any more. A good deal of unnecessary study was involved, but it is a very good thing to have.

Miss Clay Willis, Victim of Auto Accident, is Better.

Shelbyville, Ky., April 22.—Clay Willis, the youngest daughter of L. C. Willis, who was seriously injured in an automobile wreck on April 2, has never entirely regained consciousness, but gives indications that she occasionally recognizes those about her.

Her condition shows a decided improvement in the past few days, and her physicians are now very hopeful of a complete recovery.

The young lady referred to is a cousin of Miss Lois Willis, who has been a teacher in the Earlington Graded School the past two years.

## E. A. C. at St. Charles.

A large number of the people of St. Charles were surprised at the fine show that they witnessed at their opera house Saturday night. The E. A. C. entertained the people of that town with the best performance they have ever seen for some time and the applause was at times long and loud. These boys put on a first class show and deserve liberal patronage. They will at an early date surprise the citizens of Madisonville at Morton Theater and a good house is assured there.
